SIR,

I have the honor to state that as directed in para 1 of Government Order No.7196-8/L.B.311-12 dated 23rd January 1914, an Industrial and Agricultural Exhibition was held at Harihar in April 1914 along with a Cattle Show on the occasion of the Sangameswara Jatra thereat. But in view of the numerous advantages which the ryots derive by the Exhibition, it was resolved by the District Committee of the Economic Conference at their meeting held on the 16th April 1914, that instead of making the Industrial and Agricultural Exhibition an annual function, the formation of a permanent Industrial, Agricultura and Educational Museum for the District was necessary. Accordingly some of the best of the exhibits collected at Harihar have been taken to Chitaldrug to constitute the nucleus of an Agricultural and Industrial Museum and are kept at the Town Hall at Chitaldrug. As the District Committee of the Economic Conference have been taking steps for adding articles to the Museum from time to time, I think that the holding of the annual Exhibition at Harihar as directed in the Government Order quoted above, does not appear to be necessary and recommend that Government may be pleased to order the

discontinuance of the same from the year 1915, the Cattle Show being however held as usual.

2. If Government considers it necessary, I shall have the matter placed before the District Board at the next meeting on the 5th December next.

I have the honor to be,

S I R,

Your most obedient servant,

Deputy Commissioner,
Chitaldrug District.

S I R,

With reference to your letter No.4247/L.B.66-14-6 dated 27th November 1914 in the matter of the discontinuance of the annual Agricultural Exhibition at Harihar, I have the honor to state that the subject was discussed by the District Board of this District at its meeting held on 7th December 1914. The Board agrees with the views expressed by me in my letter No.210 dated 4th November 1914 to Government and thinks that the Agricultural Exhibition at Harihar may be discontinued.

2. Harihar being situated at one end of the District, the cost of transmitting exhibits collected by the Amildars of the other Taluks in the District will be pretty heavy. Besides, there is no suitable building at Harihar to stage the exhibits. On the last occasion, the A. V. School building was made available for the purpose by the Education Department as the schools had then been closed on account of summer vacation but this building may not be so available hereafter as the Cattle Show will have to be held earlier i,e, early in March on the occasion of the Sangameswara Jatra. Further the people who assemble at Harihar and who are mostly from British Territory will be fully engaged in buying and selling cattle in the bed of the river which is the Cattle Show ground and so the Exhibiti which has to be arranged elsewhere in the town and far away from the place of the Show may not really be found attractive to the people.

On the other hand, if a standing museum be instituted at Chitaldrug and enlarged as proposed by the District Board, it would prove educative and might lead to the development of the Agricultural and Industrial products of the District. For, Chitaldrug being the Head Quarter town, centrally situated in the District, a number of people (both the ryots and others) wil be going there almost every day on business in Courts - Civil, Criminal and Revenue and they will thus have the opportunity to be benefited by the museum. As for accommodation for the museum at Chitaldrug, it is readily available in the Town Hall.

3. In these circumstances I request that the proposal to discontinue the Agricultural Exhibition at Harihar may be sanctioned with effect from the current official year.

I have the honor to be,

S I R,

Your most obedient servant,

President, District Board,

Chitaldrug District.

VIII. Read letter No.4247/L.B.66-14-6 dated 27th November 1914 from the General and Revenue Secretary calling for a resolution of the District Board in the matter of the discontinuance or otherwise of the annual Agricultural Exhibition at Harihar.

Resolution:- The Board agrees with the views expressed by the President in his letter to Government dated 4th November 1914 and thinks that the Agricultural Exhibition at Harihar may be discontinued. The Board is at the same time of opinion that the Agricultural and Industrial Museum in the Chitaldrug Town Hall should be enlarged from time to time and that there is nothing to prevent the Agricultural Department and the Department of Industries from holding demonstrations at the Sangameswara Jatra at Harihar.
